

§ 3560.502

§ 3560.502 Tenant notifications and assistance.

Each tenant in an REO property designated to be sold as a non-program property will be notified by the Agency, in writing, of the housing projects' non-program designation and will be given an opportunity to obtain a Letter Of Priority Entitlement (LOPE) as specified in § 3560.159(c).

§ 3560.503 Disposition of REO property.

(a) Preference will be given to offers from bidders who are determined eligible by the Agency to purchase REO property designated to be sold as program property. It is the Agency's priority that property previously operated as program property prior to becoming REO inventory property be sold as program property. However, REO property may be sold under whatever Agency program is most appropriate for the property and the community needs regardless of the program under which the property was originally financed or whether the property was being used to secure loans under more than one Agency program.

(b) When the Agency determines that the REO property to be sold is not decent, safe, and sanitary and/or does not meet cost effective energy conservation standards, it will disclose the basis for this determination to prospective purchasers. The deed by which such an REO property is conveyed will contain a covenant restricting it from residential use until it is decent, safe, and sanitary, and meets the Agency's cost effective conservation standards. The Agency will also notify any potential purchaser of any known lead based paint hazards.

§ 3560.504 Sales price and bidding process.

(a) The loan documents related to REO property sold for program purposes must contain the restrictive-use language specified in § 3560.662(a).

(b) Entities bidding on REO property designated to be sold as program property must submit a loan application package that meets the requirements specified in subpart B of this part.

(1) Bidders on REO property designated to be sold as program property

must meet the eligibility requirements established under § 3560.55.

(2) Bidders determined by the Agency to be ineligible to purchase REO property designated to be sold as program property will be notified in writing. The bidding process will continue regardless of pending appeals.

(3) All offers from bidders determined to be eligible to purchase REO property designated to be sold as program property will be considered in the bidding process and must provide evidence of financial stability and credit worthiness.

(c) The Agency will determine the successful bidder on REO property designated to be sold as program property by conducting a drawing of sealed bids.

(1) The Agency may authorize the sale of an REO property by sealed bid or public auction when it is in the best interest of the Government. The Agency will publicly solicit requests for sealed bids and publicize auctions. If the highest bid is lower than the minimum acceptable bid established by the Agency, or if no acceptable bids are received, the Agency may negotiate a sale without further public notice.

(2) Bidders who desire to withdraw their bids must do so prior to the drawing date.

(d) Property designated to be sold as non-program property may be sold to entities that do not meet the Agency's eligible borrower requirements specified in § 3560.55, and must be sold for cash or on terms approved by the Agency. Cash sales will be given first preference and will be drawn before any sales on terms.

§ 3560.505 Agency loans to finance purchases of REO properties.

(a) Agency loans to finance the purchase of REO property designated to be sold as program property must meet the same requirements as specified in subparts A and B of this part. In addition, the following provisions apply.

(1) At the borrower's option, the interest rate will be the prevailing rate at the time of loan approval or the prevailing rate at loan closing.

(2) Purchasers may pay closing costs from their own funds or, if allowable under subparts B, L, or M of this part,
